 KING & STAGEBERG, P.A.**

**Small-Firm Grasp, Large-Firm Reach**

LOMMEN ABDO, OFTEN CONSIDERED A SMALL FIRM WITH 38 nationwide lawyers, uses its size and talent to produce results effectively and efficiently. While five percent of all Minnesota lawyers are named to the *Minnesota Super Lawyers*® list, 10 of the 32 attorneys in Lommen Abdo's Minnesota office were named this year. Those 10 lawyers reflect the firm's strong expertise in a wide array of practice areas.

**BROAD PALETTE OF PRACTICE AREAS** Lommen Abdo's blend of practices creates a legal Galleria for individuals and businesses. Within the Minnesota, Wisconsin and New York offices, you'll find commercial litigators, personal injury lawyers, appellate advocates, corporate attorneys, entertainment and sports lawyers, estate planners, family law attorneys and more. Throughout the past 70 years, the firm has evolved to meet its clients' needs as reflected in the 2007 addition of a New York City office designed to enhance its rapidly expanding entertainment law practice.

From landmark medical and legal malpractice cases to class actions and appellate advocacy, success in the courtroom is second nature to the firm's litigation attorneys. In addition to being one of the Midwest's best-known entertainment and sports law firms, Lommen Abdo's reputation—especially among other attorneys who often seek the firm's expertise for themselves or their clients—continues to grow in its myriad practice areas. These areas include commercial transactions, mergers and acquisitions, securities, contracts, real estate, employment, intellectual

property, commercial litigation, medical and legal malpractice, wrongful death, products liability, class actions, anti-trust, appeals, and estate and succession planning.
