

HAVE YOU HAD YOUR INTELLECTUAL PROPERTY CHECK-UP?

Trademarks, copyrights, trade secrets and other intellectual property are valuable assets - maybe your company's most valuable assets. Do you own your intellectual property free and clear? Have you audited your intellectual property? Be proactive. Find a lawyer who is knowledgeable and experienced to help you protect and promote your products and services.

Dan Satorius works with established and emerging businesses to help them acquire, protect and exploit their intellectual property. When you need practical IP legal advice, contact Dan Satorius.

At **Lommen Abdo**, we approach the practice of law the same way you approach your business. . . with passion and commitment.
