

Going to SXSW?
So are we.

Legal Issues in the Music, Film and Emerging Technology Industries

South by Southwest (SXSW)
2010 - Austin, Texas

For five years, Lommen Abdo Law Firm has produced the continuing legal education program (CLE) **Legal Issues in the Music, Film and Emerging Technology Industries**. Over 32 industry leaders will fill ten panels addressing topics related to the current music, film and technology industries. There is no additional charge for the CLE to anyone attending the SXSW Conference. Attorneys may register for up to 10.0 CLE credits. All SXSW registrants are welcome.

Support for this program is provided by the GRAMMY Foundation, Morgan Stanley Smith Barney and WestlawNext.
